# NEXT-GEN WIRELESS SOLUTIONS FOR FALL PREVENTION.

COMFORT. SAFETY.  
PEACE OF MIND.

**Lunderg's Next-Gen Wireless Solutions** for Fall Prevention have absolutely revolutionized the market. We've made them safer, more practical for both caregivers and patients, and MUCH easier to use. Moreover, our devices no longer appear as if they were from the '90s!

Our innovative Sensor Pads have the longest lifespan in the market; they are reusable and incontinence-resistant, making them ideal for multiple & single patient use. In addition to basic safety certifications, we have met the most stringent safety standards for Medical Electrical Equipment and Systems.

These standards include:

- IEC/CSA 60601-1 (General)
- IEC/CSA 60601-1-2 (EMC)
- IEC/CSA 60601-1-6 (Usability)
- IEC/CSA 60601-1-8 (Alarms)

LUNDERG.

# NEXT-GEN BEDSORE PREVENTION FOR PATIENTS ON PROLONGED BEDREST

COMFORT. RELIEF. PREVENTION.

**Lunderg's Next-Generation Bedsore Prevention** Products are designed to provide comfort to those confined to prolonged bedrest. Made to last with high-quality, durable materials, they're easy to set up, easy to use, and easy to clean!

Lunderg's commitment to innovation at its best. The Alternating Pressure Pad for Recliner Chairs has created a new category on its own. The Alternating Pressure Mattress Pad for the bed is the only one with a Flock-Tech Multi-Layer Pad, and the Bedsore Pillow is the first and only positioning wedge with Slope-Adjust.

# ALTERNATING PRESSURE KITS & ACCESSORIES

All our Alternating Pressure Kits come with a quiet pump that includes a Static Mode and a horizontal pressure adjuster.

UPC-LUN-ALTRECLINER-KIT

## ALTERNATING AIR PRESSURE RECLINER KIT

Helps prevent bedsores and promotes healing thanks to slow inflation and deflation

Features 136 air cells to ensure even weight distribution for ultimate comfort

Medical-grade 4-way stretch cover: fluid-proof, durable, puncture-resistant (patent-pending) & easy to clean. Latex-free

Supports up to 300 pounds. Perfect for multiple or single patients. Can be used in recliners, sofas and dialysis chairs

Ultra quiet pump with adjustable pressure & static mode (non-alternation) option

Designed to work continuously, the pump can be safely plugged in 24/7

**PACKAGED: X 4 PER CASE**

**SIZE RECLINER PAD (WHEN INFLATED): 23" X 70"**

**MSRP US\$ 129.<sup>95</sup>**

UPC-LUN-ALTPRESSURE-KIT

## ALTERNATING AIR PRESSURE MATTRESS PAD KIT

Helps prevent bedsores and promotes healing thanks to slow inflation and deflation. Reduces the need for exhausting, yet otherwise necessary, constant turning

Multi-layer alternating pressure pad with 130 air cells reduces excess moisture by managing heat & humidity of skin

Flock-Tech layer feels luxurious & soft, increasing comfort. Designed with bodily fluid-proof PVC layer. Latex-free

Supports up to 300 pounds. For hospital beds or over normal mattresses

Ultra quiet pump with adjustable pressure & static mode (non-alternation) option

Designed to work continuously, the pump can be safely plugged in 24/7

**PACKAGED: X 4 PER CASE**

**SIZE MATTRESS BED PAD (WHEN INFLATED): 35.4" X 74.8"**

**LUNDERG®**

# LEADERS IN MALE INCONTINENCE CLAMPS

WEARABLE INCONTINENCE PROTECTION.

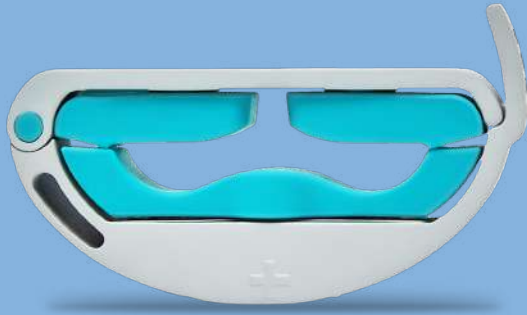

Lunderg offers the most innovative **Male Incontinence Clamps**. We've designed high-performance, comfortable penile clamps by combining cutting-edge design, high-quality medical-grade materials, and valuable customer feedback.

Our convenient wash-and-wear Clamps provide confidence and freedom from male incontinence. All our clamps are latex-free and metal-free so they can be worn at MRI.

In addition to standard safety tests for medical devices, we have undertaken the strictest **biocompatibility tests**:

ISO 10993-5:2009 for Cytotoxicity  
ISO 10993-10:2021 for Sensitization  
ISO 10993-23:2021 for Skin Irritation

UPC-LUN-CLAMP-VERSA

## VERSA CLAMP

Our most innovative Clamp features a durable hinge, strength-tested PC frame, pressure adjust knob, adjustable ladder lock and dorsal gap for increased blood flow

Lightweight easy to use with no removable parts, this Clamp is made from durable PC plastic and medical-grade silicone

Built-in pressure adjust for precision fitting allows adjustment from minimum to maximum pressure and everything in between

Easy to clean wash-and-wear design can be worn directly after washing and drying

**PACKAGED: X 80 PER CASE**

**VERSA CLAMP SIZE: 3" X 0.6" X 1.2"**

**MSRP US\$34<sup>.95</sup>**

UPC-LUN-CLAMP-CONFIDENCE

## CONFIDENCE CLAMP
